Re: John Law v. Black Rock, LLC
Case No. C07-00134 WHA

Dear Judge Alsup:

On Monday, the parties completed a full day mediation before Magistrate Judge Joseph Spero and were able to reach a global settlement of all disputes. The parties executed a binding term sheet, which includes a confidentiality provision. Due to the complexity of the transaction contemplated under the settlement, however, the parties need until roughly December 15, 2007 to reduce the settlement to a final writing. The parties, therefore, collectively request that your Honor defer ruling on plaintiff's Motion for Leave to File First Amended Complaint until after December 15th.

Respectfully Submitted,
